

ArtCenter Lite - Graduate 2023-2024

When you enroll in an ArtCenter Lite (ACL) term, your tuition is adjusted (prorated) according to the number of units for which you are enrolled. If you are enrolled in less than 12 units, the Financial Aid Office will adjust your financial aid budget and your financial aid. As a result, you may receive less aid than you anticipated.

Please note: Students must enroll in 6 or more units of required courses in order to receive their federal and state financial aid. Please review more information regarding these changes [online](#).

SCHOLARSHIPS

ArtCenter Scholarships will be prorated based on the number of units for which you are enrolled. For 6 to 8 units, the award will be 50% of your usual scholarship amount, and for 9 to 11 units the award will be 75%. There is no scholarship eligibility for less than 6 units. Review the ArtCenter Scholarship and Grant Policy at <https://inside.artcenter.edu/go/fa>

FEDERAL LOANS

You must be enrolled in 6 or more units of required courses to receive a Federal student loan. Please remember that fees are deducted from your loans before they are disbursed, and you can see these fees reflected on your Account Statement. There is a 1.057% origination fee deducted from Direct Loan disbursements and a 4.228% origination fee deducted from PLUS loans. For more information on rates and fees visit: <http://studentaid.gov>

Students should be aware that there are maximum lifetime (aggregate) Federal Direct Loan limits.

Graduate/Professional \$138,500 (no more than \$65,500 may be subsidized)

We encourage you to monitor your usage which includes all outstanding loans from your prior schools. Plan ahead before accepting a loan for a Lite term. You can keep track of your loan borrowing at <http://studentaid.gov>

OTHER LOANS

Private and PLUS loan amounts may be reduced due to a lower financial aid budget. This amount will be calculated after the end of the Add-Drop period. You may not receive as much as you anticipated.

REFUNDS

If you drop units after receiving a refund, you may have to repay a portion of your refund to the school.

PLEASE NOTE – A CHANGE OF ENROLLMENT AFTER FINANCIAL AID IS APPLIED MAY RESULT IN FUNDS BEING RETURNED AND TUITION BEING OWED. BE SURE YOU COMPLETE THE ACL PROCESS EARLY SO THAT YOUR FINANCIAL AID MAY BE UPDATED ON TIME.
