A GUIDE TO YOUR FINANCIAL AID 2024-2025

This booklet was designed to serve as a guide to your financial aid offer and to answer your questions about relevant policies and procedures. ArtCenter is committed to providing financial aid to eligible students and providing access to our educational programs.

Domestic Students. Most financial aid is based on "need" or financial eligibility as determined from the information you and your family submitted on the Free Application for Federal Student Aid (FAFSA). U.S. citizens, permanent residents, and eligible non-citizens who file a FAFSA will be presented with an "offer" of financial aid once their eligibility has been determined. Your "offer" will detail the types of aid available to you. For more information, review this guide.

International Students. Please review the International Student Guide to Financial Aid on Inside.ArtCenter.edu. International students should not complete the FAFSA and are not eligible for federal or state financial aid, but are eligible to be considered for scholarships during the Admissions process or apply for a private loan with a U.S. co-signer. The International Student Guide will provide more information.

Undocumented/ DACA Students. Students who are not a US citizen, permanent resident, or eligible non-citizen are not eligible to submit the FAFSA. However, California residents who are undocumented immigrants or DACA recipients are eligible to submit the California Dream Act Application (CADAA) to apply for the state Cal Grant program. More information on the Cal Grant is located later in this guide. The <u>CADAA</u> must be submitted before March 2nd each year to apply for the Cal Grant. Students who are undocumented or DACA recipients are also eligible to be considered for scholarships during the Admissions process or apply for a private loan with a U.S. co-signer.

STEP ONE: APPLY FOR FINANCIAL AID EACH ACADEMIC YEAR

To receive your financial aid offer, you must complete the <u>FAFSA</u> application **each academic year**, including ArtCenter as a school (school code 001116). The FAFSA became available for the 2024-2025 academic year on January 1, 2024. Next year, the 2025-2026 FAFSA will be available on October 1st.

If additional documents or information is needed to prepare your financial aid offer, you will be notified on the Inside Financial Aid Dashboard and via email communications.

An "offer" of Financial Aid will be prepared for admitted and continuing students who have completed a current FAFSA listing ArtCenter on the list of schools. Your eligibility for financial aid will be determined based on the information you submitted on the FAFSA. If your situation has changed since you submitted your FAFSA or you have other special or unusual circumstances, please reach out to the Financial Aid Office to request an adjustment. Please note requesting an adjustment will not guarantee a change in your financial aid offer. All financial aid programs listed on your "offer" are explained in this guide. Remember, students must file a FAFSA each academic year.

This "offer" will show your estimated cost of attendance (COA) or budget, and your estimated awards (scholarships, grants, loans, and/or work-study) for a projected period of attendance (usually 2 semesters at a time). At ArtCenter, you can choose to attend two or three semesters per year, so you will need to estimate your own budget accordingly. Students who wish to attend in the summer can submit a short application to the Financial Aid Office indicating their plan to enroll. The application is available each Spring term.

If you are offered an ArtCenter scholarship, it will be listed on your "offer" and on "My Awards" both found on the ArtCenter <u>Inside Financial Aid Dashboard</u>. Scholarship recipients should take time to review the ArtCenter Scholarship and Grant Policies document found later in this guide for important information about retaining your scholarship or grant. <u>Review Step Three of this guide for information about accepting the financial aid</u> you may have been offered.

How Your Financial Aid Offer Is Determined

1. Student Aid Index (SAI). Your Student Aid Index (SAI) is a formal evaluation of a student's approximate financial resources to contribute toward their postsecondary education for a specific award year. The SAI is calculated from the data you submitted on the FAFSA including income, assets, family size, etc.

Your SAI appears on the **FAFSA Submission Summary** that you receive from the federal processor after you complete your FAFSA. The **SAI** is not the amount you need to pay; it is a formula used by the federal government to establish your financial need.

2. Cost of Attendance. Every student who applies for financial aid is assigned an estimated Cost of Attendance (COA). This COA is often referred to as a student budget. The student budget gives you an estimate of the cost to attend ArtCenter. This means your actual expenses may differ from what is listed.

The COA includes Direct Costs and Indirect Costs.

Tuition and Fees

Fall 2024 through Summer 2025 Tuition and Fees per term are **estimated** at the time of this printing.

Estimated Full Time Undergraduate Tuition (per term): \$26,543 **Estimated Full Time Graduate Tuition** (per term): \$28,052 **Estimated Universal Access Fee** (required each term): \$542

Direct Costs (Billed by ArtCenter)

Tuition and Fees are <u>direct costs</u> that will be billed to you by ArtCenter for each semester you attend. Tuition and fees are the only set costs.

Fees: The Universal Access Fee (UAF) covers specialized costs associated with technology and equipment usage that facilitate learning and making specific to art and design education across departments. This includes, but is not limited to, software access and licensing and usage of the Shops and 3D Modeling labs, computer labs, Educational Media Equipment Center, and the support, upgrades, and maintenance related to providing such resources. Due to increased demand for these critical services, the proliferation of digital making across all departments, and expanded multimodal course offerings, periodic adjustments to the UAF may be necessary to ensure that students have access to critical, specialized tools necessary for their development and learning.

Indirect Costs (Estimated)

<u>Indirect costs</u> are paid by the student. Your indirect costs will vary depending on your individual classes and lifestyle and include books, course materials, supplies and equipment, housing, food, transportation, and personal expenses. You should estimate the amount you will need for these items.

We have included an estimated amount in the following budget. Students can help to lower their cost of living expenses by living at home, sharing an apartment or room with another student, eating meals at home, and by using public transportation. Students who have questions about their budget expenses should meet with a financial aid counselor to discuss their situation.

2024-2025 Estimated Undergraduate Student Cost of Attendance

These figures are based on estimated expenses for a student enrolled in the fall and spring semesters of the 2024-2025 academic year. If you plan to take summer term, you must complete a separate application in the spring and we will update your cost of attendance to include summer, as well.

Tuition Increases

Note: As the College continues to strive toward the highest level of education, increases in tuition typically occur once a year, in the fall semester. The College works to keep these increases as low as possible. Please consider this as a part of your financial planning.

3. Your Financial Need. Your financial need is the difference between the budget (cost of attendance) and your Student Aid Index (SAI) determined by the FAFSA. In order to be eligible for most financial aid you must demonstrate financial need according to the FAFSA. Scholarships are based on a combination of need and merit and determined upon entering ArtCenter.

STEP TWO: UNDERSTANDING YOUR FINANCIAL AID PACKAGE

- 1. What is a financial aid "package"? In the world of financial aid, all the types of aid for which you are eligible or are being offered are bundled together in one format called a "financial aid package." This term refers to the total amount and types of aid you are offered, including sources from federal, state and institutional funds.
 - A financial aid package or financial aid offer usually consists of one or more of the following types of funds based on eligibility: grants, scholarships, student loans, and/or student employment.
 - An ArtCenter undergraduate offer may consist of Institutional Scholarships or Grants, Federal Pell Grants, Federal Supplemental Educational Opportunity Grants (SEOG), State Cal Grants, Federal Direct Loans, or Federal Work-Study.
 - Graduate students are not eligible for federal or state grants but may be awarded Institutional Scholarships or Grants, Federal Direct Loans, or Federal Work-Study.
- **2.** How your "package" of aid is determined. Your package of aid includes all the forms of aid we can offer and for which you are eligible. The following factors are considered when determining your aid package:
 - Financial Need. Your financial need from the FAFSA determines your eligibility for federal and state
 programs such as the Federal Pell Grant, Federal Supplemental Educational Opportunity Grant
 (SEOG), Federal Work Study, Federal Direct Loans, and Cal Grant. Your income, assets, family size,
 and, if you are a dependent student, the income and assets of your parents determine your financial
 need.
 - Your age and dependency status. For undergraduate students, your age will most likely be the
 determining factor in your dependency status; however, students who are under 24 may be considered
 independent based on other factors such as marital status. Independent students (over age 24)
 qualify for aid based on their own income and assets and parental information is excluded, which may
 result in higher aid eligibility. Independent students are also eligible for higher Federal Direct
 Unsubsidized loan amounts than dependent students.
 - Prior bachelor's degree. A student with a prior bachelor's degree is <u>not eligible</u> for Pell, SEOG, or the Cal Grant.
 - Grade level. Your grade level determines the amount of your annual federal loan eligibility. Loan
 amounts normally increase with each progressive grade level.
 - Prior federal loan debt. The federal government places cumulative limits on the amount of Federal Subsidized and Unsubsidized Loans you may borrow. If you have borrowed federal loans while attending another school, you may run out of federal loan eligibility before you complete your degree at ArtCenter. Therefore, it is advisable for transfer students to meet with a counselor to review their loan indebtedness and plan for the future. Many students find they need additional resources to complete their degree such as a private loan.
 - If your situation has changed since you submitted your FAFSA or you have other special or unusual circumstances, please reach out to the Financial Aid Office to request an adjustment. Please note requesting an adjustment will not guarantee a change in your financial aid offer.
 - The amount of financial aid you receive may never exceed the cost of attendance (COA) for the enrollment period.

STEP THREE: RECEIVING YOUR FINANCIAL AID

- 1. Access your Financial Aid Dashboard. Students may view their financial aid offer on the Financial Aid Dashboard. If any documents are required on the "Required Documents" page, please upload them directly through the Financial Aid Dashboard using the "Manage" button for each document request. Please submit documents as soon as possible to avoid costly delays in receiving your financial aid. If you experience difficulties uploading documents, documents can also be submitted to the secure Dropbox location here: https://www.dropbox.com/request/Y7dVOIEJood9056kdyZi (copy and paste URL into web browser)
- **2. Review your offer.** Once you have accessed the ArtCenter <u>Financial Aid Dashboard</u>, review your financial aid offer by selecting "Offer Letter" from the drop-down menu.
- **3.** Accept or Decline your Loans. Accepting your financial aid is easy. First, go to "My Awards" on the Dashboard. Review each type of aid offered. You will need to Accept or Decline each federal loan and/or work study. Gift aid such as scholarships or grants are automatically accepted for you.
- **4. Begin the Loan Process.** Domestic students who will borrow Federal Direct Loans should complete the following steps as early as possible, **and at least 45 days before the semester begins to ensure timely disbursement of your loans.** Direct Loan Information begins on page 14.

All Students - Federal Direct Loan

1. Accept your Loans on the ArtCenter Financial Aid Dashboard to begin processing

All "First Time" Borrowers - Federal Direct Loan

- 1. Accept your Loans on the ArtCenter Financial Aid Dashboard
- 2. Complete a Master Promissory Note (MPN) for a Federal Direct Subsidized/Unsubsidized Loan at: https://studentaid.gov/mpn/
- 3. Complete Loan Entrance Counseling at: https://studentaid.gov/entrance-counseling/

Graduate Students Only – Federal Direct Graduate PLUS Loan Option

- Complete a PLUS Request and enter the amount you wish to borrow at: https://studentaid.gov/plus-app/
- 2. Complete a Graduate PLUS MPN at: https://studentaid.gov/mpn/
- 3. Complete Graduate Loan Entrance Counseling at: https://studentaid.gov/entrance-counseling/

Graduate student borrowers who would like to borrow a PLUS Loan in addition to the <u>Direct Unsubsidized Loan</u> should review PLUS Loan information beginning on page 15 of this guide. You must complete a PLUS Request, MPN, and Graduate Loan Entrance Counseling at: https://studentaid.gov/. PLUS Loans are credit based and the application will inform you if you are approved or denied. If denied, you have the option to appeal the credit decision with new information or obtain an endorser (co-signer).

Parent - Federal Direct PLUS Loan

- 1. Complete a PLUS Request and enter the amount you wish to borrow at: https://studentaid.gov/plus-app/
- 2. Complete a Parent PLUS MPN at: https://studentaid.gov/mpn/

Parent borrowers who would like to borrow a Parent PLUS Loan should review PLUS Loan information beginning on page 16 of this guide. You must complete a PLUS Request in the name of the parent borrower and an MPN in the name of the parent borrower at https://studentaid.gov/. PLUS Loans are credit based and the application will inform you if you are approved or denied. If denied, you have the option to appeal the credit decision with new information or obtain an endorser (co-signer).

5. Federal Work Study (FWS) Employment. A Federal Work Study allocation offers an opportunity to work part-time. An offer of FWS does not guarantee a job. Students must be hired for a job first and will then earn a biweekly paycheck for hours worked. See page 17 of this guide for more information.

To begin this process:

- 1. Accept or decline your federal work study allocation on the Financial Aid Dashboard.
- 2. If you accept the federal work study award, search for a job on Inside.ArtCenter and apply.
- 3. Once you're hired, complete the required hiring process.

Note: Your FWS "allocation" will NOT be applied toward your tuition payment. Students receive a biweekly paycheck based on the hours worked and the pay rate for their job. For more information, review the Federal Work Study Guide on https://inside.artcenter.edu/go/fa

- 6. Final Steps for Receiving your Aid. Make sure to review and complete all steps.
- Respond to requests for documentation. Documents required are listed on the Financial Aid Dashboard. The most commonly requested documents include copies of tax transcripts and verification worksheets. Respond to any email request promptly.
- Submit documents early. Submit all documents as soon as possible to avoid delays in receiving your financial aid. Please allow several weeks to process. Documents submitted late may result in late disbursement. Please upload documents directly through the Financial Aid Dashboard on the "Required Documents" page using the "Manage" button for each document request. If you experience difficulties uploading documents, documents can also be submitted to the secure Dropbox location here: https://www.dropbox.com/request/Y7dVOIEJood9056kdyZi (copy and paste URL into web browser)
- Having your aid disbursed. Funds are generally disbursed equally between semesters and applied directly to your student account after the add/drop period. In order to disburse, all required documents must be verified and you must meet eligibility criteria. Students borrowing loans must have completed all loan requirements. Cal Grant recipients must submit all documents required by the California Student Aid Commission. Please check your Financial Aid Dashboard regularly and respond to email requests.
- Students who are receiving federal/state financial aid must enroll in at least 12 units of required coursework to receive full-time financial aid disbursements. Students who register for less than 12 units of required coursework will have their federal/state aid prorated or removed. Students taking an ArtCenter Lite term must enroll in all required courses in order to receive eligible federal/state financial aid.
- Refunds or overages. If the disbursement of financial aid funds creates a credit balance (overage) when applied against your tuition bill for the semester, a refund will be issued to either you or your parent (if designated on the PLUS application). This normally happens if parents or students borrow a PLUS or Private loan that exceeds tuition and fees. Refunds are issued on the second Friday of the semester after the add/drop period, and weekly thereafter. Please note: Financial Aid is normally based on full-time attendance. It is possible that a student who changes their enrollment status after receiving a refund may need to return a portion of the funds.
- Please review your Student Finance Dashboard after add/drop and check with the Financial Aid Office if you change your enrollment status. You may owe an additional amount.

STEP FOUR: DETERMINING YOUR AMOUNT DUE TO THE COLLEGE AND OTHER EXPENSES

Tuition and Fees. Your offer will show how much aid you are receiving from each source by semester. In some cases, your tuition and fees (direct expenses) may be covered through financial aid, but most often students will have an outstanding balance they are responsible for paying. See STEP FIVE below.

Below is an example of a financial aid package for one semester for a dependent undergraduate student who has been awarded a Pell Grant, the FSEOG Grant, federal loans, and has been offered an ArtCenter Scholarship of \$5,000 per semester.

ArtCenter Scholarship	\$5,000
Pell Grant	\$3,500
FSEOG	\$500
Federal Direct Subsidized Loan	
(Gross awarded amount is \$1750)*	\$1,732
Federal Direct Unsubsidized Loan	
(Gross awarded amount is \$1000)*	\$990
Federal Work Study	
(may not be used to pay tuition)**	NA
Total aid for term:	\$11,722

Direct Cost - Tuition and Fees estimate per term	\$27,085
Minus aid	-\$11,722
(Do not include Work Study)**	
Estimated amount to pay:	15,363

^{*}Loan fees of approximately 1.057% have been deducted above and will be deducted from your student loan before it is disbursed.

Other Expenses. The amount you need for other (indirect) expenses including housing and food, books, materials, supplies, equipment, transportation, etc., are estimated in the Cost of Attendance. Students who plan to borrow additional funds for living expenses can help limit their loan indebtedness by living with roommates, using public transportation, and eating meals at home.

- Plan for the Year. Unlike tuition and fees that are set costs, you will control this portion of your
 expenses. You should estimate your own costs for these expenses and ensure that you have a plan
 for funding them. Review step five below if you need additional funds to cover your expenses. Submit
 private and PLUS loan applications at least 45 days in advance to avoid additional costs and delays in
 receiving your funds.
- Refunds. You will only receive financial aid funds toward your living expenses if your financial aid
 exceeds your costs for tuition and fees and you have a credit balance on your account. This normally
 happens when families borrow additional loans such as the Parent Loan, Grad PLUS Loan, or a
 private loan. When this occurs, the Student Accounts Office will issue a refund to you or your parent
 for the excess amount. The first refund for each semester is issued on the second Friday of the
 semester, after the add/drop period, and weekly thereafter.

^{**}The Federal Work Study (FWS) allocation is earned by working a job on campus and will not be credited to the tuition bill. The amount has been excluded from the aid credited in the example above.

STEP FIVE: WHAT IF MY AID DOESN'T COVER MY EXPENSES?

As much as ArtCenter will make every attempt to help make ArtCenter financially accessible, most students find that their financial aid will not fully cover their tuition expenses nor cost of living. The following are some additional sources of aid students and families may explore. When considering whether or not to borrow additional loan funds, we advise that you only borrow what you need.

Federal Direct Parent PLUS Loans. Parents of dependent students can apply for an additional credit-based loan option called the Federal Direct Parent PLUS Loan. For more information refer to Page 16.

Federal Direct Graduate PLUS Loans. Graduate students can apply for an additional credit-based loan option called the Federal Direct Graduate PLUS Loan. <u>For more information refer to Page 15.</u>

Private Educational Loans. Students may apply for these credit-based loans directly through a lender and most often they will require a co-signer. They are most often utilized by independent undergraduate students. Unlike the Federal Direct loans, requirements, interest rates, and terms vary by lender. For more information refer to Page 16-17.

Outside Scholarships. Many students have successfully located a private source of scholarship from a foundation, corporation or other organization. Students must report these to the Financial Aid Office by providing a copy of the letter sent to you by the organization. The Financial Aid Office also lists potential scholarship opportunities. Visit https://inside.artcenter.edu/go/fa, and select "Outside Scholarship Information and Search." Resources are listed as a service only and are not authenticated by ArtCenter. These search engines should be free. You should never be required to pay any fee. Outside scholarships will be disbursed according to the donor's request and must be reported to the Financial Aid Office.

Student Accounts Office - Payment Plan

Installment Tuition Payment Plan. The ArtCenter Student Accounts Office offers a payment plan that allows students to divide their tuition payments into monthly installments. The payment option is available for a non-refundable set up fee of \$75. Account information is available 24 hours a day on Inside.ArtCenter for current students.

Tuition and fees are due and payable Friday of the first week of class. Students who have not paid tuition and fees in full by Friday of week 1 will automatically be enrolled in the Payment Plan.

Financial aid will be credited to your account and deducted from the amount due. If you are expecting financial aid, please only pay the amount that is not covered by your aid. This can be viewed on the Student Finance Dashboard at https://inside.artcenter.edu.

Refunds on tuition overpayments are available only after tuition and fees are paid in full, and your account has a credit balance.

Tuition may be paid online by credit card, ACH, wire, or by check. Payments are made on the Student Finance Dashboard at https://inside.artcenter.edu. Alert: Please note that a non-refundable Service Fee of 2.85% will be charged for ALL payments by credit/debit cards.

Select the ACH-eCheck in the payment method to avoid the Service Fee

Students will not be able to register for the next term until the prior term balance is paid in full. If you have any questions, please contact studentaccounts@artcenter.edu.

For more information, visit the Student Accounts (<u>Cashier</u>) inside page, email: <u>studentaccounts@artcenter.edu</u> or call **626 396-2332**

- I understand I should report any change in my family's circumstances that may affect financial need.

- I agree to report in writing any changes in my financial, marital, academic, residential status, funding and support I receive from any source. I understand that any change in my status may result in a reduction of my award and may require repayment of my financial aid.
- I have the responsibility to use financial aid funds for education-related expenses only.
- I am aware that to continue to receive assistance, I must maintain satisfactory academic progress as defined in this policy guide.
- I am aware that federal and state aid may only be disbursed for courses required for my degree program.
- I understand that the College may directly apply awards to my student account.

Additional Financial Aid Policies

Changes in your Financial Aid. ArtCenter reserves the right to revise offers at any time due to changes in funding levels, enrollment status, residence, receipt of additional resources including scholarships, information reported to the Financial Aid Office by you or your parents, unintended errors, or other reasons consistent with ArtCenter policy and procedures.

Annual FAFSA. Domestic students must complete a new FAFSA available each October to comply with federal and state deadlines as well as ArtCenter requirements. Financial aid is not automatically renewed from year to year. To continue receiving aid, including ArtCenter scholarships, you must complete a new FAFSA and comply promptly with requests for documentation from the Financial Aid Office. Failure to apply may result in a loss of financial aid.

Federal and State Eligibility Requirements. According to federal regulations, courses that are not required for completion of a student's degree program are not eligible for any federal/state financial aid. The financial aid system will review a student's courses to determine if they are required for degree completion. Federal/state financial aid will be prorated or removed completely if the student is enrolled in less than 12 credits that count toward their degree. Students who have been approved to substitute a course must submit the Waive-Sub Form to Enrollment Services prior to the term in order to receive eligible funding on schedule. No changes may be accepted retroactively after the term ends.

Return of Federal Funds. Students who are receiving federal student aid and who withdraw from all classes prior to completing 60% of the semester will have their eligibility for federal student aid recalculated based on the percentage of the term they completed. The College is required to return "unearned" aid to the federal financial aid programs. Students who drop all classes after the term begins may owe a tuition balance to the College after aid has been returned. A full version of the Return of Funds policy is available on the ArtCenter website at https://inside.artcenter.edu/go/fa. Please note that this policy is different from the Tuition Forgiveness Policy; depending on the date of withdrawal and type of aid received, the student may owe a substantial balance to the College. Cal Grants and ArtCenter scholarships are refunded to the programs based on the institutional Tuition Forgiveness Policy. For example, if the College refunds 60 percent of tuition, 60 percent of the scholarship offer is returned to the scholarship fund and 60 percent of the Cal Grant amount is returned to the California Student Aid Commission.

Federal Satisfactory Academic Progress. The Financial Aid Office is required by federal law to monitor the academic progress of federal financial aid recipients. Undergraduate students must maintain a cumulative 2.50 grade point average and complete at least 67% of the units they attempt in order to remain eligible for federal student aid. Graduate students must maintain a 3.00 grade point average and complete at least 67% of the units they attempt. Federal Satisfactory Academic Progress (SAP) is measured at the end of each semester and when a continuing student applies for aid for the first time. Students not meeting satisfactory academic progress standards are provided one semester on warning to elevate the grade point average and units completed up to the standard. If they do not meet the standard, they lose financial aid eligibility until they are able to do so. Students may be able to appeal under some conditions and continue to receive their federal aid while on a probationary status if their appeal is approved. Students who have lost eligibility must regain satisfactory academic standing before federal aid can be offered. A full version of this policy is available on the ArtCenter website at https://inside.artcenter.edu/go/fa

Family Education Rights and Privacy Act (FERPA). In accordance with the Family Education Rights and Privacy Act (FERPA) of 1974, ArtCenter will not disclose any information relating to a student's educational records (including financial aid) to anyone, not even the student's parents or family members, without written consent from the student. If a student wishes to provide written consent, the student must complete and submit the "Student Authorization to Release Information" form, which can be found on the Financial Aid Inside page. A copy of the form is also available at the end of this guide.

ArtCenter Scholarship and Grant Policies

- Entering Student. In addition to any state or federal programs for which you may be eligible, ArtCenter can consider you for institutional scholarship or grant funds. These are awards that have a high merit component, and the amount of this funding is limited. We believe that all admitted students are deserving; however, as funding is limited, the scholarship awards cannot be offered to all students, and are a symbol of the highest merit.
- **Continuing Student.** Students who did not receive scholarship on entry or who would like to apply for an additional amount may apply through the Continuing Scholarship Review process. This process currently takes place each term for most undergraduate programs. Graduate programs vary and are determined by each individual department.
- Types of scholarships. These include both the College's own funding and scholarships provided by donors, corporations, and foundations. Students will be considered for both types of scholarship. Beginning Spring 2024, scholarship review applicants will be required to submit the General Application Questionnaire. Recipients of donor scholarships may be asked to create a profile and submit thank-you letters to the donor.
- Merit and Need. Scholarships are awarded based on merit and financial need determined by the FAFSA. Merit is
 determined by the scholarship committee based on portfolio and academic profile. International and Undocumented
 students do not need to complete the FAFSA to apply for scholarships.

Scholarship Conditions

- Priority Deadline. Students should meet the FAFSA priority deadline of March 2nd each year and in all cases must
 have a complete file before a scholarship can be awarded for an upcoming term. Scholarships will not be awarded
 for a retroactive term.
- Grade Point Average Requirement. Undergraduate students must achieve a 2.5 cumulative grade point average
 (GPA) each term to maintain their scholarship. Graduate students must achieve a 3.0 cumulative grade point
 average (GPA) each term to maintain their scholarship. These GPAs represent the minimum requirements for
 remaining in good academic standing with the College. Students whose cumulative GPA falls below these levels

are given one "warning" term and one "probation" term to bring their cumulative GPA back up to the minimum required levels. Failure to bring grades back up will result in the forfeiture of scholarship awards. Exceptions may only be made through an appeal process with the Financial Aid Office.

- **Terms Off.** Students cannot take more than two consecutive terms off. This includes time off for internships that are not for credit. In the event that a student takes more than two consecutive terms off, the scholarship award will be forfeited. If the student is good academic standing, the student may appeal for reinstatement of their previous scholarship by contacting the Financial Aid Office before their returning term. Appeals are not guaranteed.
- **Duration.** There are time limitations on ArtCenter scholarships. Credit requirements vary by major and are subject to change. Students holding ArtCenter scholarships enrolled in BFA degree programs are entitled to maintain their scholarship for a maximum of nine terms. Students in BS degree programs may hold the scholarship for ten terms due to the larger credit requirement for graduation. Graduate students may hold their scholarship for the approved length of their program plus one additional term. These specified amounts of time are the normal time frame in which students complete the program or are capable of completing the program. Entering scholarships are generally held for the length of time specified above, unless stipulated otherwise. Students who are awarded scholarship through the continuing student scholarship process will hold the funds no longer than the maximum duration required to complete the program, unless specified for a shorter time. The duration cannot exceed the College's time limitation policy. A full term is counted as one term, and If a student enrolls in an ArtCenter Lite term, it will be counted as half a term.
- Amounts and Limits. Typically, the amount of ArtCenter Scholarship a student receives cannot exceed the cost of
 tuition for the term. Scholarship amounts are pro-rated for part-time terms based on the number of units for which
 students are enrolled. For 6-8 units, students will receive 50% and for 9-11 units 75% of the normal scholarship
 amount. Scholarships will be disbursed based on the unit total at the end of the Add-Drop period. Scholarships will
 not be disbursed for students enrolled in less than 6 units.

Types of Financial Aid Award Programs

Students who are receiving federal/state financial aid must enroll in at least 12 units of **required** coursework to receive full-time financial aid disbursements. Students who register for less than 12 units of required coursework will have their federal/state aid prorated or removed as required. Students taking an ArtCenter Lite term must enroll in all required courses.

Federal Grants

Federal Pell Grant program

This is a federal government grant program to assist undergraduates who show exceptional financial need on their FAFSA. Eligibility is determined by the federal government. The level of Pell Grant on your award will be adjusted if you enroll on a less-than-full-time basis. In 2023-2024, the Federal Pell Grant awards ranged from \$383 to a maximum of \$3,697 per semester. The 2024-2025 awards are not available at the time of this printing. Students with a prior bachelor's degree are not eligible.

Federal Supplemental Educational Opportunity Grant (FSEOG)

FSEOG is a federal program for students with exceptional financial need as based on their FAFSA. ArtCenter awards FSEOG to students who are eligible to receive a Pell Grant and who meet the FAFSA deadline of March 2 until funds are exhausted. FSEOG awards are generally awarded at \$500 per semester for full time attendance and prorated for less-than-full time enrollment. Award amounts are determined annually based on available funding.

State Grants

Cal Grants A and B

California state grants (Cal Grants) are provided through the California Student Aid Commission (CSAC) to undergraduate students who are California residents and meet the eligibility criteria. These awards may be awarded for up to 4 years (8 semesters). Cal Grant awards are considered for students who have graduated

from a California high school or are transferring from a California community college, and have submitted their FAFSA or California Dream Act Application (CADAA) application before the March 2nd deadline. Students must also complete GPA verification before the March 2nd deadline, which the student's high school or prior college can complete electronically. Students may also print the GPA verification form and take it to their school for completion, but it must be postmarked by March 2nd if mailed. ArtCenter's Enrollment Services Office can also complete GPA Verification if the student has completed and/or transferred in at least 24 units by the end of the Fall term.

In the 2023-2024 award year, Cal Grants ranged from \$824 to \$5,503 per semester. These awards are contingent upon verification of eligibility and finalization of the California State Budget. The 2024-2025 award amounts are not available at the time of this printing. For program details and eligibility criteria please visit California Student Aid Commission at https://mygrantinfo.csac.ca.gov/.

Eligibility

- Cal Grant A
 - Cal Grant A is awarded to students based on the FAFSA information submitted and on a grade point average requirement set by the state. Cal Grant A awards are automatically credited (disbursed) to the student account upon verification of eligibility each term.
- Cal Grant B
 - Cal Grant B is awarded to students based on the FAFSA information submitted and on a grade point average requirement set by the state. The Cal Grant B award is comprised of two parts. Cal Grant B recipients are eligible for an Access Award starting in their first year that may be used for books and supplies. Starting in their second year and beyond, Cal Grant B recipients are also eligible for a Tuition and Fee Award in addition to the Access Award. Awards are automatically credited (disbursed) to the student account upon verification of eligibility each term.
- Cal Grant B Access Award ArtCenter will automatically credit (disburse) your eligible Access Award to your student bill each term. However, you may request a direct disbursement of your Access Award in writing each year even though you may owe a balance to ArtCenter. Requests must be received before funds are disbursed. If your award has already been applied to your bill prior to your written request, ArtCenter will apply your written request to any future disbursements during the year. Students requesting disbursement of the Access Award will be responsible for any remaining balance due to ArtCenter. Therefore we recommend most students apply the disbursement to their bill. <u>Please note: An outstanding balance</u> on a student bill will prevent future registrations from being processed.

Disbursement

Funds will generally be disbursed once per semester, usually the second week of the term after the add-drop period, or as eligible thereafter. The Financial Aid Office will verify eligibility and confirm that you are making Satisfactory Academic Progress (SAP). Disbursements may be delayed if you have not submitted the required documentation. Cal Grants are disbursed according to your enrollment status and are prorated for part-time enrollment based on the number of units for which students are enrolled. For 6-8 units, students will receive 50% of the full-time award; for 9-11 units, students will receive 75% of the normal award. Cal Grants will be disbursed based on the total required units at the end of the add-drop period. Cal Grants are not paid for less than 6 required units.

Maximum Time to Receive Cal Grant

The State of California requires us to notify all Cal Grant recipients that the Cal Grant is limited to a maximum of 4 years (8 full-time terms) of eligibility. Some students may receive less eligibility based on when they become Cal Grant eligible. A full-time courseload for Cal Grant purposes is defined as 12 credits. However, if a student takes 12 credits per term, they will run out of Cal Grant eligibility before they graduate.

In order to maximize your Cal Grant, we recommend students take 15 or more credits per term depending on their program. Please refer to your degree audit to find the total unit requirement for your program. Below is a general guideline (though not a requirement):

120 Unit Program = 15 units a term 132 Unit Program = 17 units a term 135 Unit Program = 17 units a term 144 Unit Program = 18 units a term

Students who run out of their Cal Grant eligibility before they graduate may wish to consider borrowing a loan to make up the difference. More information is available about private loans or Parent PLUS Loans for parents of dependent students in this guide or at https://inside.artcenter.edu/go/fa

Students should create a WebGrants 4 Students account, verify their Cal Grant eligibility, and make sure their School of Attendance is updated to ArtCenter (001116) by logging on to: https://mygrantinfo.csac.ca.gov/

Students can contact the California Student Aid Commission (CSAC) Student Support customer service line at 1-888-224-7268.

California Chafee Grant for Foster Youth

The California Chafee Grant for Foster Youth awards up to \$5,000 a year to eligible foster youth. For more information and to apply, please visit https://www.csac.ca.gov/chafee. Once you apply, the California Department of Social Services will verify your foster youth eligibility status.

Loans

Federal Direct Loans

The Federal Direct Loan program allows students and parents to borrow loans directly from the federal government to help pay for educational costs. The programs include the Subsidized Loan for undergraduates and the Unsubsidized Loan for both undergraduate and graduate students. The PLUS loan program is for graduate students and parents of dependent students. A loan is money you borrow and must pay back with interest, therefore we encourage students and families to **only borrow what you need.**

Annual Loan Review - Students should review their financial aid loan history annually using their federal student aid login to access their federal student aid account at StudentAid.gov

Federal Direct Loans

Federal Direct Loans are available to both undergraduate and graduate students and are utilized by most eligible students.

- The "Subsidized" loan is available to undergraduate students who demonstrate financial need only. The federal government pays the interest while the student is enrolled in school at least half-time.
- An "Unsubsidized" loan is available to both undergraduate and graduate students. The government
 does not provide the loan subsidy for the unsubsidized loan; therefore, interest accrues during
 enrollment periods and is added to the amount borrowed (principal).
- Undergraduate students who are eligible and who demonstrate financial need will be awarded both
 the Federal Direct Subsidized and Unsubsidized loans. Undergraduate students who do not
 demonstrate financial need for the Subsidized loan and all graduate students will be awarded an
 Unsubsidized loan only.
- Interest Rate. The interest rate for undergraduate students for both the Direct Subsidized and Unsubsidized Loan for 2023-2024 is fixed at 5.50% and is subject to change on July 1. Funds will generally be disbursed once per semester. Origination fees of 1.057% will be deducted from each disbursement and subject to change on October 1. The 2024-2025 interest rate and fees are not available at the time of this printing.

- The interest rate for graduate students for the Direct Unsubsidized Loan for 2023-2024 is fixed at 7.05% and is subject to change on July 1. Funds will generally be disbursed once per semester. An origination fee of 1.057% will be deducted from each disbursement and subject to change on October 1. The 2024-2025 interest rate and fees are not available at the time of this printing.
- Repayment. Funds are generally repaid over a 10-year period after you graduate or withdraw from school; however, alternative repayment plans such as income-based repayment may be available.
 Read the promissory note for each loan to learn more about the specific terms and conditions. For more information please visit https://studentaid.gov. Repayment can be deferred until you drop below half time, graduate or leave school.
- Loan Limits. The following chart summarizes maximum loan amounts for a full academic year on Federal Direct Subsidized and Unsubsidized Loans:

Maximum Combined Federal Direct Subsidized and Unsubsidized Loan Eligibility

Year in College	Dependent Student	Independent Student
1st Year (0-36 credits)	\$5,500	\$9,500
2 nd Year (37-69 credits)	\$6,500	\$10,500
3 rd Year (70-94 credits)	\$7,500	\$12,500
4 th Year (95 or more)	\$7,500	\$12,500
Graduate Students	n/a	\$20,500

- Loan amounts listed above cannot exceed the cost of attendance (budget) minus other financial aid received for the award period.
- Aggregate loan amounts (total of all previous and current loans) are \$31,000 for dependent
 undergraduates, \$57,500 for independent undergraduates, and \$138,500 for graduate students.
 Students who have outstanding Federal loans from a prior college should be aware that these
 amounts will count toward their maximum aggregate loan limits and could affect their annual eligibility.
- First time borrowers must complete a Master Promissory Note (MPN) for a Federal Direct Subsidized/Unsubsidized Loan at https://studentaid.gov.
- First time borrowers must complete Loan Entrance Counseling at https://studentaid.gov.

For additional information on Federal Direct Loan Subsidized and Unsubsidized Loans please visit: https://studentaid.gov

Federal Direct Graduate PLUS Loan

- Graduate students can apply for a Federal Direct Graduate PLUS loan which can cover up to the total cost of attendance (budget) minus any other financial aid awarded.
- We recommend that you borrow your Direct Unsubsidized loan eligibility before considering other loans as they may offer better interest rates and borrower benefits.
- Graduate PLUS Loans include a credit requirement. If credit issues prevent approval, you may apply
 with an endorser. The credit decision may also be appealed by submitting an appeal at
 StudentAid.gov or calling the Federal Student Aid Information Center at 1-800-433-3243.
- The interest rate for the Graduate PLUS loan for 2023-2024 is fixed at 8.05% and subject to change on July 1. Interest begins to accrue upon disbursement. Funds will generally be disbursed once per semester. An origination fee of 4.228% will be deducted from each disbursement and is subject to change on October 1. The 2024-2025 interest rate and fees are not available at the time of this printing.
- Repayment. Funds are generally repaid over a 10-year period after you graduate or withdraw from school; however, alternative repayment plans such as income-based repayment may be available.
 Read the promissory note for each loan to learn more about the specific terms and conditions. For

more information please visit https://studentaid.gov. Repayment can be deferred until you drop below half time, graduate or leave school.

- Graduate student PLUS Loan applicants must complete a Graduate PLUS Loan Application for each loan borrowed online at https://studentaid.gov specifying the amount they are requesting.
- Graduate students must also complete a PLUS Master Promissory Note (MPN) at
 https://studentaid.gov before receiving their first loan.

 This PLUS MPN is in addition to the Direct Unsubsidized Loan MPN.
- First time Graduate PLUS borrowers must also complete Graduate Loan entrance counseling at https://studentaid.gov.

Federal Direct Parent PLUS Loan

Parents of students who are dependent for financial aid purposes can apply to borrow federal loans on the student's behalf.

- Parents can request an amount up to the yearly cost of attendance (budget) minus any other financial aid the student is receiving.
- Parent PLUS Loans include a credit requirement. If credit issues prevent approval, the parent may
 apply with an endorser or the student may qualify for an additional limited amount of Federal Direct
 Unsubsidized Loan. The credit decision may also be appealed by submitting an appeal at
 StudentAid.gov or calling the Federal Student Aid Information Center at 1-800-433-3243.
- The interest rate for the Parent PLUS loan for 2023-2024 is fixed at 8.05% and subject to change on July 1. The interest begins to accrue upon disbursement. Funds will generally be disbursed per semester. Origination fees of 4.228% will be deducted from each disbursement and is subject to change on October 1. The 2024-2025 interest rate and fees are not available at the time of this printing.
- Repayment. PLUS loan borrowers must begin repayment of principal and interest 60 days after the
 final loan disbursement of the academic year. Parents may defer payments on PLUS loans while
 their student is in school and for a six month grace period after the student graduates or drops below
 half-time enrollment. Read the promissory note for each loan to learn more about the specific terms
 and conditions. For additional information on Direct Loans please visit https://studentaid.gov.
- Borrowers can request an amount up to the student's budget minus other financial aid. Dependent students must complete a yearly FAFSA to determine eligibility for other aid before a Parent PLUS Loan can be processed.
- Parent Loan applicants need to complete a PLUS Loan Application online at https://studentaid.gov specifying the amount they are requesting.
- Parents must also complete a PLUS Master Promissory Note (MPN) at https://studentaid.gov.

Consumer Loan Disclosure Notice - In compliance with federal regulations under HEOA Sec. 489 amended Sec. 485B (d) (4) (20 U.S.C. 1092b) the college is required to notify you that approved loans will be submitted to the National Student Loan Data System (NSLDS) by the U. S. Department of Education and will be accessible by guaranty agencies, lenders, and institutions determined to be authorized users of the data system as determined by the U. S. Department of Education.

Private Educational Loans

Private loans are often utilized by independent undergraduate students and are initiated directly by the student with a lender. Unlike the Federal Direct loans, different lenders have varying requirements, interest rates, and terms. Apply at least 30-45 days before the semester begins to ensure timely disbursement of your Loans.

- Educational loans from private lenders including banks and credit unions are a common source for additional aid. These loans are not guaranteed by the federal government. They are offered by private lending institutions to help bridge the gap between the cost of attendance (budget) and the amount of financial aid received.
- Lenders require that students have a good credit score and most often will require a U.S. co-signer
 with good credit. In order to receive the best rates and terms, and possibly increase your chances of
 approval, you may wish to apply with a few different lenders at the same time and select the one that
 is right for you.
- ArtCenter provides a list of lenders from which students have elected to borrow over the last three
 years at https://inside.artcenter.edu/go/privateloans. You are not required to use a lender from this list.
 We will process loans from any eligible lender you select.
- Students should review their private loan history annually by logging on to their account with their lender.

Federal Work-Study/ Student Employment

Federal Work Study (FWS) is a need-based program largely funded by the federal government that enables eligible students to earn part of their financial aid award through part-time employment. Students earn money and are paid bi-weekly via paycheck. Funds are limited.

- Admitted students who want to work should indicate that they are interested in FWS when their Admission application is submitted. Continuing students should submit a request.
- Students awarded Federal Work Study must find a position on campus, or through an approved offcampus Community Service program. There is no guarantee of a position, as positions and funding are limited.
- Jobs are available in many on-campus departments and offices, and community service positions such as assisting in local high school classrooms, tutoring elementary school students, and working at the Pasadena Public Libraries are available for Federal Work Study students only.
- Students submit timesheets as they work and receive a bi-weekly paycheck to be used for out-of-pocket expenses such as supplies, food, or personal expenses.
- Federal Work study employees may work 20 hours per week when classes are in session and 29 hours per week during school breaks. Hours may not exceed 8 hours per day.
- Once the authorized amount has been earned, the student must stop working under the Federal Work Study program. See Federal Work Study Guide at https://inside.artcenter.edu/go/fa

Other Student Employment

Students who are not eligible for federal aid or who do not show need for the FWS program may be able to find a position at ArtCenter through the Student Employment program, which is totally funded by the college. These positions are limited.

Exchange Programs and Individualized Study Away

Students receiving financial aid who are planning to participate in an approved ArtCenter Exchange Program or Individualized Study Away program should meet with a financial aid counselor to avoid a disruption in their financial aid.

Exchange

Students participating in an approved ArtCenter Exchange Program will be eligible for financial aid as if they were on campus, with the exception of Federal Work Study (FWS). The normal FWS component of an aid package may be covered with additional loan funds upon request, subject to credit approval.

Individualized Study Away

Students wishing to participate in an Individualized Study Away program must follow Study Away procedures and gain the approval of their Department Chair and the Enrollment Services Office. Individualized Study Away participants may apply to receive federal and state funding at approved host institutions. No institutional funds are available for Individualized Study Away.

You are required to follow the normal Financial Aid guidelines and deadlines and complete all forms as you normally would each year at ArtCenter. Students must submit copies of all Individualized Study Away Forms to the Financial Aid Office. Consult with the Study Away Program Office for additional information.

Student Authorization to Release Information

Family Education Rights and Privacy Act (FERPA) of 1974

Instructions: Carefully review the information below. After completing the form, submit it to the ArtCenter College of Design office/staff you are authorizing to release information.

As a student enrolled in a degree-granting program at ArtCenter (also referred to on this form as "the College"), you are hereby informed that a United States law known as the Federal Educational Right and Privacy Act (or FERPA) identifies you as the primary owner of data that are defined as "educational records," regardless of your age, nationally/citizenship, and/or your financial arrangements with the College. Educational records are defined as personally identifiable data that are maintained by the College (such as course grades, attendance, grade point average, financial aid application, scholarship awards, enrollment status in each term, on-campus employment payroll, etc.).

The College does NOT require your consent to disclose the following data that it defines under this law as "directory information:" name, ArtCenter e-mail address, degree program, enrollment status (full-time or part-time, and dates of enrollment), honors and awards received from the College, and most recent previous educational institution attended.

In accordance with FERPA, ArtCenter must obtain written consent from a student before releasing educational records of that student to a third party. Such written consent must be signed and dated by the student, specify the records to be released, state the purpose of the release, and identify the party or class of parties to whom the release may be made.
