*Contact the CSE:*

- To collaborate on any program, service, or activity that can enhance the student experience at Art Center.
- To consult about a student's behavior or any sudden change in behavior, and coordinate any appropriate intervention (e.g., care and concern outreach, student conduct process, referral for further assessment).
- To connect directly with students via ACSG or other clubs and organizations.
- To understand any student policy or procedure that is unclear and/or needs improvement.
- To coordinate your student learning objectives with the student out-of-classroom growth and development experience.
- To facilitate communication and implement innovations with other staff or shared governance groups to support student success.
