LOAN OPTIONS

Why shouldn't I wait until the last minute to apply for loans?

- Allow Plenty of Time! Processing time takes longer due to the high volume and can result in a \$75 installment set up fee.
- Waiting until the last minute may result in a delay to your future registration, as your current term bill must be paid in order to register.
- Waiting until the last minute is stressful!
- Think about planning for the entire year so that you don't have to worry about it each term.
