

An ArtCenter LITE (ACL) term provides an opportunity to take fewer than 12 units. Tuition for an ACL term is adjusted (prorated) according to the number of units for which you are enrolled. Since the tuition amount for an ACL is less than you pay for full-time enrollment, the Financial Aid Office will adjust your financial aid budget. As a result, you may receive less aid than you anticipated. **Please note: Students must enroll in 6 or more units to receive financial aid. Financial aid will be disbursed at the end of the Add-Drop period based on the unit total.**

SCHOLARSHIPS

ArtCenter Scholarships will be prorated based on the number of units for which you are enrolled. For 6 to 8 units, the award will be 50% of your usual scholarship amount, and for 9 to 11 units the award will be 75%. Scholarships are not applied towards tuition for less than 6 units. For more information review the ArtCenter Scholarship and Grant Policy at <https://inside.artcenter.edu/go/fa>

PELL GRANTS

Pell Grants are prorated based on the number of units for which you are enrolled. For 6 to 8 units, the award will be 50% of the eligible amount, and for 9 to 11 units 75%. Because Pell Grants are awarded for less-than-half-time enrollment, the award for 3 to 5 units will be 25% of the eligible Pell amount. Although we may disburse at the start of the term in some cases, the **final amount** will be adjusted based on the number of units at the **end of the Add-Drop period**. Students should also be aware there is a limit to the number of terms you may receive a Pell Grant. (Pell LEU)

SEOG

SEOG Grants are prorated based on the number of units for which you are enrolled. For 6 to 8 units, the award will be 50% of the usual amount, and for 9 to 11 units 75%. SEOG will be disbursed based on the unit total at the end of the Add-Drop period.

CAL GRANTS

Cal Grants are prorated based on the number of units for which you are enrolled. For 6-8 units, the award will be 50% of the eligible amount and for 9 units, it will be 75%. Because the CA Student Aid Commission allots a maximum of 8 semesters of coverage, your Cal Grant payments may be reduced for later terms if you receive a disbursement for a LITE term.

FEDERAL LOANS

You must be enrolled in 6 or more units to receive a Federal student loan. Please remember that fees are deducted from your loans before they are disbursed as listed below. You will receive the estimated net amount listed below. There is a 1.062% origination fee deducted from Stafford Loan disbursements and a 4.248% origination fee deducted from PLUS loans (as of 10/1/18). **Loans first disbursed prior to Oct 1, 2018 have different loans fees.** For more information on rates and fees visit: <http://studentloans.gov>

PRIVATE LOANS

Your private loan amount may be reduced due to a lower financial aid budget. This amount will be calculated after the add-drop period.

REFUNDS

If you drop units after receiving a refund check, you may have to repay a portion of your refund to the school.

PLEASE NOTE – A CHANGE OF ENROLLMENT AFTER FINANCIAL AID IS APPLIED MAY RESULT IN FUNDS BEING RETURNED AND TUITION BEING OWED. BE SURE YOU COMPLETE THE ACL PROCESS EARLY SO FINANCIAL AID CAN BE UPDATED ON TIME.
