

PROGRAM LEARNING OUTCOMES

- Provided and defined by the department
- Outcomes met at the completion of a degree program, accumulated through course-level outcomes
- Available under specific programs at www.artcenter.edu/academics

COURSE LEARNING OUTCOMES

- Provided and defined by the department
- Specific to the course's role within a program
- Make note of key terms, phrases

COURSE ASSIGNMENTS

- Consider a scaled variety: readings, videos, site visits, research, quizzes, briefs, drafts, tests, projects
- Clear and concise assignment language
- Use key terms, phrases from outcomes
- Be intentional in linking assignments together (*scaffolding*) and in connecting to outcomes

RUBRICS

- Grading criteria developed by the faculty member
- Uses key terms from assignment
- Provided with assignment, offering clarity to students about expectations
- Available as a reference in peer & teacher critique
- A means to provide meaningful and constructive feedback
- Cumulatively (across assignments) a means to show students meet outcomes
