

Part-Time Faculty Performance Reviews

All part-time ArtCenter faculty members are included in one of three annual cohorts for performance review on a continual 3-year cycle.

Cohort 1 should be reviewed starting in the 2015-2016 fiscal year.

Cohort 2 should be reviewed starting in the 2016-2017 fiscal year.

Cohort 3 should be reviewed starting in the 2017-2018 fiscal year.

The attached list represents the initial cohort assignment based on initial hire date. An individual's specific cohort may change if, for example, a faculty member is not teaching at the time that the department conducts the performance reviews, or is transitioning to another assignment. Faculty members should contact their departments to confirm the timing of their performance review.

Detailed instructions and forms are available on InsideArtCenter.edu under "Faculty Development."

For further information please contact Ted Young, Associate Provost for Faculty Affairs (ted.young@artcenter.edu).
