

AB540 Affidavit of Immigration Status

This document is for internal use only by ArtCenter. It is completely confidential. It will not be shared with anyone outside of ArtCenter or any government agency.

This information is required to confirm your status as an AB540 student for eligibility for the California state aid program. It is also meant to ensure that students who are eligible to become a U.S permanent resident will apply to adjust their status as soon as possible. By obtaining U.S permanent resident status, students may become eligible for other forms of financial aid.

Complete and sign this for the request of state aid. You must submit any documentation required by ArtCenter (for example: proof of high school attendance and completion in California) along with this form in order to complete your state grant aid process. Your Financial Aid award will not be complete until you have completed this form.
