Contact the CSE:

- To collaborate on any program, service, or activity that can enhance the student experience at Art Center.
- To consult about a student's behavior or any sudden change in behavior, and coordinate any appropriate intervention (e.g., care and concern outreach, student conduct process, referral for further assessment).
- To connect directly with students via ACSG or other clubs and organizations.
- To understand any student policy or procedure that is unclear and/or needs improvement.
- To coordinate your student learning objectives with the student out-of-classroom growth and development experience.
- To facilitate communication and implement innovations with other staff or shared governance groups to support student success.

The CSE contributes to the holistic student educational experience by providing programs and services to encourage personal character development, identity formation, healthy living, interpersonal and civic engagement, and the search for life purpose and meaning.
